

Aim of the group
Doel van die groep

The Ferrum Prestige Group was established to create a strong supporters base of parents, guardians, ex-learners and sponsors of the school, therefore producing a successful school that produces successful learners. Funds generated from membership fees, sponsorships and hiring of facilities are used to improve facilities at the school.

Die Ferrum Prestige Groep is gestig om 'n sterk ondersteunersnetwerk van ouers, voogde, oudleerders en borge van die skool te vestig. Daaruit spruit 'n suksesvolle skool met suksesvolle leerders. Fondse wat gegeneer word uit ledegelde, borge en verhuring van die geriewe word aangewend om die fasiliteite van die skool te verbeter.
